Grand Ledge Music Booster Association Private Lesson Grant Request

GLMBA is chartered to promote, stimulate, and support interest in instrumental and vocal music education. One of the ways we do this is to reimburse $5 for up to one weekly private lesson, given during the school year, to a middle or high school student in their discipline.

To the Instructor: Please complete this form, preferably at the end of each lesson.

To the Parent and Student: GLMBA will reimburse for prepared lessons as long as funds are available. An unprepared lesson is not reimbursable.

Families must *actively participate in the GLMBA RAISE RIGHT program to be eligible for reimbursement*. (code **6868378D18123)**

Completed grant forms must be submitted to your music director within 7 days of the ending date of first trimester and second trimester, and at the end of May for third trimester for lessons received during that trimester. Reimbursements will not be given for lessons received in previous trimesters
